ABOUT ME

An information technology student who did bachelor's in field of computer science from one of the top university in pakistan. who's looking forward for a job in my related field.

EDUCATION

2015

BASIC SCHOOL

SPS College Swat, Mingora

Subjects which i studied in bsic shchool : English, Math, Science, Computer science, Islamyat and Urdu.

2017

HIGH SCHOOL DIPLOMA

SPS College Swat, Mingora

Subjects which i studied in high school : English, Math, Physics, Chemistry, Pakstudies.

2022

BACHELOR OF TECHNOLOGY

FAST NUCES, Peshawar

BS (Computer Science)

There are a lot of subjects which i studied but i will mention some of them like :

Programing course subjects: introduction to computing (Python) , object oriented programming (C++), Data structure (Python , C++), Object orientented analysis and design (Java), Software engineering (Java), Artifitial intalligence (Python) etc.

GRADES

BASIC SCHOOL

📍 Mingora-Swat

871/1100 (79 %)

Grade-A

SKILLS

- Python
- C++
- Java
- Assembly language
- Android app development
- Web development: Html, Css, Bootstrap, Javascript
- Odoo
- Flask
- Flutter
- Php, Mysql, Mongoddb
- Svelte

LANGUAGES

- Pushto
- Urdu
- English
- Arbic

HIGH SCHOOL

📍 Mingora-Swat

697/1100 (63 %)

Grade-B

BACHELOR

📍 FAST NUCES-Peshawar

CGPA: 2.39/4.00 (65.85 %)

Our university percentage calculation is different then other universities.

SEMESTER PROJETS

•Bank managment System -

Features: create, update, delete of account, credit and debit of cash

Language: C++

•Hospital Management System-

Features: doctor appointment, patient admit, phrmacy, book room for patient with catagory.

Language: Java + JavaFX + Swing + Mysql

•Calendar with age finder-

Features: normal calendar along with feature, to find the day on which a person was bornt

Language: C++

•Calendar with Clock-

Features: overall feature of normal use calendar with clock(stop watch)

Language: assembly language.

• Premier league information system -

Features: add team , mantain groups, time table for playing soccer between groups and some more funtionalities.

Language: Using PHP,Mysql, Html, Css.

• odoo- attendance -module -

Features: attendance managment system with handle all record related to student attendance

Language: python + api

• Adroid app devolepment -

Features: attendance managment system with handle all record related to student attendance

Language: java + python + api

COURSES

MACHINE LEARNING

FAST NUCES

Jun 2022

ALGORITHMAM

FAST NUCES

Jun 2022

OPERATING SYSTEM

FAST NUCES

Jun 2022

BASIC ELECTRONICS, DIGITAL LOGIC DESIGN

FAST NUCES

Jun 2022

CALCULUS (1,2)

FAST NUCES

Jun 2022 - Jun 2022

PROBABILITY

Jun 2022

HOBBIES

- Cooking
- Travelling
- Badminton
- Volleyball
- Photography

FYP

AGE AND GENDER PREDICTION

📍 FAST NUCES-
Peshawar

Aug 2021 - Jun 2022

•**Summary:** It was our final year project which predict age and gender of a person from an image. we design a web interface through **Flask** which take an image is a input and predict its age and gender.

•**Abstract:** Markit basket analysis + Social media apps + Figure out interest of people in social places.

•**Field:** Machine learning and Digital Image processing.

•**Language:** python + flask.

•**Technologies:** Keras + TensorFlow + Resnet-50+ k-train.

•**Datasets:** keggel + UTKface.

FUTURE GOALS

• Vision is to be expert in the following fields:

1. Machine learning.
2. Artificial intelligence.
3. Data science.
4. Robotics.
5. Back end devoleper.

EXTRA-CURRICULAR ACTIVITIES

SPORTS AND ATHLETIC PARTICIPATION

Jun 2022 - Present

Much interested in all kind of sports like: volleyball, bedminton, soccer, table tennis, basket ball.

MOVIES

Jun 2022 - Present

Like different categories of movies like: Classical + Advanced technologies, History, Animations, Real action and Funny but hate dramas and horror based movies because it make me scared.
