ABOUT ME

An information technology student who did bachelor's in field of computer science from one of the top university in pakistan. who's looking forward for a job in my related field.

EDUCATION

Basic School

SPS College Swat / Mingora / 2015

Subjects which i studied in bsic shchool : English, Math, Science, Computer science, Islamyat and Urdu.

High school diploma

SPS College Swat / Mingora / 2017

Subjects which i studied in high school : English, Math, Physics, Chemistry, Pakstudies.

Bachelor of Technology

FAST NUCES / Peshawar / 2022

BS (Computer Science)

There are a lot of subjects which i studied but i will mention some of them like :
Programing course subjects: introduction to computing (Python) , object oriented programming (C++), Data structure (Python , C++), Object orientented analysis and design (Java), Software engineering (Java), Artifitial intalligence (Python) etc.

GRADES

BASIC SCHOOL

Mingora-Swat

871/1100 (79 %)

Grade-A

HIGH SCHOOL

Mingora-Swat

697/1100 (63 %)

Grade-B

Bachelor

FAST NUCES-Peshawar

SKILLS

Python

C++

Java

Assembly language

Android app development

Web development: Html, Css, Bootstrap, Javascript

Odoo

Flask

Flutter

Php, Mysql, MongoDB

Svelte

LANGUAGES

Pushto

Urdu

English

Arabic

CGPA: 2.39/4.00 (65.85 %)

Our university percentage calculation is different than other universities.

SEMESTER PROJETS

•Bank managment System -

Features: create, update, delete of account, credit and debit of cash

Language: C++

•Hospital Management System-

Features: doctor appointment, patient admit, pharmacy, book room for patient with category.

Language: Java + JavaFX + Swing + Mysql

•Calendar with age finder-

Features: normal calendar along with feature, to find the day on which a person was born

Language: C++

•Calendar with Clock-

Features: overall feature of normal use calendar with clock(stop watch)

Language: assembly language.

• Premier league information system -

Features: add team , maintain groups, time table for playing soccer between groups and some more functionalities.

Language: Using PHP,Mysql, Html, Css.

• odoo- attendance -module -

Features: attendance management system with handle all record related to student attendance

Language: python + api

• Adroid app devolepment -

Features: attendance management system with handle all record related to student attendance

Language: java + python + api

FYP

Age and Gender Prediction

FAST NUCES-Peshawar / Aug 2021 - Jun 2022

•Summary: It was our final year project which predict age and gender of a person from an image. we design a web interface through **Flask** which take an image as an input and predict its age and gender.

•Abstract: Markit basket analysis + Social media apps + Figure out interest of people in social places.

•Field: Machine learning and Digital Image processing.

•Language: python + flask.

•Technologies: Keras + TensorFlow + Resnet-50+ k-train.

•Datasets: kaggle + UTKface.

FUTURE GOALS

▪ Vision is to be expert in the following fields:

1. Machine learning.
2. Artificial intelligence.
3. Data science.

COURSES

Machine Learning
FAST NUCES / Jun 2022

Algoritham
FAST NUCES / Jun 2022

Operating system
FAST NUCES / Jun 2022

Basic electronics, Digital
logic design
FAST NUCES / Jun 2022

Calculus (1,2)
FAST NUCES
/ Jun 2022 - Jun 2022

Probability
FAST NUCES / Jun 2022

HOBBIES

Cooking, Travelling, Badminton,
Volleyball, Photography

PERSONAL DETAILS

Date of birth
11-july-1998

Nationality
pakistan

Visa status
Approved

Marital status
single

4. Robotics.
5. Back end devoleper.

EXTRA-CURRICULAR ACTIVITIES

Sports and Athletic Participation
Jun 2022 - Present

Much interested in all kind of sports like: volleyball, bedminton, soccer, table tennis, basket ball.

Movies
Jun 2022 - Present

Like different categories of movies like: Classical + Advanced technologies, History, Animations, Real action and Funny but hate dramas and horror based movies because it make me scared.

INTERNSHIP

ist
developer / peshawer / Jun 2022 - Jun 2022

this potron is for future update

CUSTOM PLACE FOR FUTURE EDITION

for futur edition
peshawar / Jun 2022 - Jun 2022

this portion is for future adition work

DRIVING LICENSE

Driving license category

LTV: Light transport vehicle valid for commercial car-taxi , jeep , Mini bus and lightweight transport.
