An information technology student who did bachelor's in field of computer science from one of the top university in pakistan. who's looking forward for a job in my related field.

## EDUCATION

### SPS College Swat

2015  
Mingora

#### BASIC SCHOOL

Subjects which i studied in bsic shchool : English, Math, Science, Computer science, Islamyat and Urdu.

### SPS College Swat

2017  
Mingora

#### HIGH SCHOOL DIPLOMA

Subjects which i studied in high school : English, Math, Physics, Chemistry, Pakstudies.

### FAST NUCES

2022  
Peshawar

#### BACHELOR OF TECHNOLOGY

##### BS (Computer Science)

There are a lot of subjects which i studied but i will mention some of them like :

Programing course subjects: introduction to computing (Python) , object oriented programming (C++), Data structure (Python , C++), Object orientented analysis and design (Java), Software engineering (Java), Artifitial intalligence (Python) etc.

## GRADES

Mingora-Swat

#### BASIC SCHOOL

871/1100 (79 %)  
Grade-A

## SKILLS

Python

C++

Java

Assembly language

Android app development

Web development: Html, Css,  
Bootstrap, Javascript

Odoo

Flask

Flutter

Php, Mysql, Mongodb

Svelte

## LANGUAGES

Pushto

Urdu

English

Arbic

Mingora-Swat

FAST NUCES-  
Peshawar

### HIGH SCHOOL

697/1100 (63 %)

Grade-B

### BACHELOR

CGPA: 2.39/4.00 (65.85 %)

Our university percentage calculation is different then other universities.

## SEMESTER PROJETSCS

#### •Bank managment System -

**Features:** create, update, delete of account, credit and debit of cash

**Language:** C++

#### •Hospital Management System-

**Features:** doctor appointment, patient admit, phrmacy, book room for patient with catagory.

**Language:** Java + JavaFX + Swing + Mysql

#### •Calendar with age finder-

**Features:** normal calendar along with feature, to find the day on which a person was bornt

**Language:** C++

#### •Calendar with Clock-

**Features:** overall feature of normal use calendar with clock(stop watch)

**Language:** assembly language.

#### • Premier league information system -

**Features:** add team , mantain groups, time table for playing soccer between groups and some more funtionalities.

**Language:** Using PHP,Mysql, Html, Css.

#### • odoo- attendance -module -

**Features:** attendance managment system with handle all record related to student attendance

**Language:** python + api

#### • Adroid app development -

**Features:** attendance managment system with handle all record related to student attendance

**Language:** java + python + api

## COURSES

---

### MACHINE LEARNING

FAST NUCES

Jun 2022

### ALGORITHMAM

FAST NUCES

Jun 2022

### OPERATING SYSTEM

FAST NUCES

Jun 2022

### BASIC ELECTRONICS, DIGITAL LOGIC DESIGN

FAST NUCES

Jun 2022

### CALCULUS (1,2)

FAST NUCES

Jun 2022 - Jun 2022

### PROBABILITY

FAST NUCES

Jun 2022

---

## HOBBIES

---

- Cooking
- Travelling
- Badminton
- Volleyball
- Photography

---

## FYP

---

Aug 2021 - Jun 2022  
FAST NUCES-  
Peshawar

### AGE AND GENDER PREDICTION

• **Summary:** It was our final year project which predict age and gender of a person from an image. we design a web interface through **Flask** which take an image is a input and predict its age and gender.

• **Abstract:** Markit basket analysis + Social media apps + Figure out interest of people in social places.

• **Field:** Machine learning and Digital Image processing.

• **Language:** python + flask.

• **Technologies:** Keras + TensorFlow + Resnet-50+ k-train.

• **Datasets:** keggel + UTKface.

---

## FUTURE GOALS

---

• **Vision is to be expert in the following fields:**

1. Machine learning.
2. Artificial intelligance.
3. Data science.
4. Robotics.
5. Back end devoleper.

---

## EXTRA-CURRICULAR ACTIVITIES

---

Jun 2022 - Present

### SPORTS AND ATHLETIC PARTICIPATION

Much interested in all kind of sports like: volleyball, bedminton, soccer, table tennis, basket ball.

Jun 2022 - Present

### MOVIES

Like different categories of movies like: Classical + Advanced technologies, History, Animations, Real action and Funny but hate dramas and horror based movies because it make me scared.

---

## PERSONAL DETAILS

---
