### **PERSONAL DETAILS**

Date of birth: 11-july-1998

Nationality: pakistan Visa status: Approved

Marital status: single

# **DRIVING LICENSE**

Driving license category LTV: Light transport vehicle valid for commercial car-taxi, jeep, Mini bus and lightweight transport.

malak.adnan1998@gmail.com

An information technology student who did bachelor's in field of computer science from one of the top university in pakistan. who's looking forword for a job in my related field.

**EDUCATION** 

#### SPS College Swat 2015

Mingora

# BASIC SCHOOL

Subjects which i studied in bsic shchool: English, Math, Science, Computer science, Islamyat and Urdu.

#### SPS College Swat 2017

Mingora

## Subjects which i studied in high school: English, Math,

Physics, Chemistry, Pakstudies.

HIGH SCHOOL DIPLOMA

BACHELOR OF TECHNOLOGY

# 2022

**FAST NUCES** 

Peshawar

## BS (Computer Science)

## There are a lot of subjects which i studied but i will

mention some of them like: Programing course subjects: introduction to computing

(Python), object oriented programming (C++), Data structure (Python, C++), Object orientented analysis and design (Java), Software engineering (Java), Artifitial intalligence (Python) etc.

**FUTURE GOALS** 

Aug 2021 - Jun 2022

**FAST NUCES-**

### input and predict its age and gender. • Abstract: Markit baskit analysis + Social media apps +

AGE AND GENDER PREDICTION

Figure out interest of people in social places. •Field: Machine learning and Digital Image processing. •Language: python + flask. • Technologies: Keras + TensorFlow + Resnet-50+ k-

•Summary: It was our final year project which predict age and gender of a person from an image. we design a

web interface through Flask which take an image is a

• Vision is to be expert in the following fields:

• Datasets: keggle + UTK face.

- 1. Machine learning.
- 3. Data science. 4. Robotics.

2. Artificial intelligance.

5. Back end devoleper.

**EXTRA-CURRICULAR ACTIVITIES** 

# SPORTS AND ATHLETIC PARTICIPATION Much interested in all kind of sports like: volleyball,

bedminton, soccer, table tennis, baskit ball.

Jun 2022 - Present

Jun 2022 - Present

MOVIES

Like different categories of movies like: Classical + Advanced technologies, History, Animations, Real action and Funny but hate dramas and horror based movies because it make me scared.
